

Stability of the Bödewadt Boundary Layer

Sharon O. Stephen

School of Mathematics, University of Birmingham, Birmingham B15 2TT, U.K.

September 2010

Contents

1	Introduction	3
1.1	First investigations	3
1.2	Experimental results	3
1.3	Theoretical results	4
1.3.1	Basic flow	4
1.3.2	Numerical results	5
2	Asymptotic results	7
2.1	Stuart modes	7
2.1.1	Inviscid linear stability analysis	7
2.1.2	Extensions	11
2.2	Travelling modes	12
3	Future work	13
