

## TABLE OF CONTENTS

### SUMMARY

### LIST OF FIGURES

I. DESCRIPTION OF THE CASCADE TEST .....	1
I.1 The transonic cascade tunnel .....	1
I.2 The cascade model .....	2
I.3 The equipment and instrumentation .....	3
I.4 The test procedure and data reduction .....	4
II. THE CASCADE AND STATOR BLADE SECTION PERFORMANCE .....	6
II.1 The blade Mach number distribution .....	6
II.2 The cascade performance .....	9
II.3 The stator section performance .....	10
II.4 The comparison of the cascade and stator data .....	10
III. THE COMPARISON WITH THE CALCULATIONS .....	12
III.1 The calculated Mach number distributions .....	12
III.2 The comparison with the measured data .....	12
III.3 The exit flow angle and choking .....	14
CONCLUSIONS .....	15
LIST OF REFERENCES .....	16
